About our mission trip

This will be our seventh annual mission trip and we will be traveling to Cairo, Illinois. Each year we serve a community within the United States. This trip is a youth mission trip led by student leaders, with adults mentoring them. In June of 2007 we will be working with an organization called YouthWorks to assist children through Kids Club, elderly through visits and home repair, and families through a program called Mission Build. Mission Build helps create affordable housing.

About Cairo

Cairo is an impoverished community which sits on the Mississippi River. At one time it was a thriving town on the river, but now Cairo is struggling to stay alive.
